[English version]

Spontaneous temptation, I contemplate,
Undefeated! Captive of a Feline;
Madness! Blood! My mind is a machine!
Adore! Priestess in his Temple!

Discovered! You simulate omission,
Indirect kisses. Provocation!
Your naughty poses and contortion,
You Ingenious Magick, My inflammation!

With an offering, the dimension penetrated,
Metamorphosis of a nympho woman!
To your secrets, access my Scepter.

Astral connection, the climax I catch,
For our orgasm, a threat looms,
Like the red cat, Burned I escape!

Samael Magnum.

The Red Cat.
